300067	Size 6/7	10 - 17 kg	36 - 42 cm	55 - 66 cm
300069	Size 8/9	17 - 25 kg	42 - 50 cm	63 - 82 cm
300071	Size 10/11	25 - 35 kg	50 - 59 cm	72 - 91 cm
300073	Size 12/13	35 - 45 kg	59 - 69 cm	80 - 99 cm
300075	Size 14/15	45 - 55 kg	69 - 79 cm	90 - 109 cm

How to measure

*The weight is the most accurate measure to find the right size; however, for breeds such as greyhounds and bulldogs the weight cannot be used.

Features & Benefits

- **Post-surgical clothing** for dogs and cats
- Provides **a barrier to contamination and patient interference**
- Embedded copper **protects and promotes healthy skin**
- **In most cases replaces the cone**, allowing freedom of movement and natural behaviour during recovery
- **Easy-On Step-In Zipper** allows for a quick and less stressful application for all involved
- **Protects against the sun** (30 UVA and UVB Protection)
- **Ergonomic design** with stretch fit
- 65% cotton, 30% Polyester, 5% Elastane
